Toys 2016 Wishlist!

You can help more than
650 kids wake up
with gifts under the tree
this Christmas.

At The Joyous Toys Store,
low-income parents have the joy
of finding the perfect gifts for their
children to open on Christmas morning.

Gift wrapping paper, tape, large gift bags,
batteries and gift tags are always needed!

In our experience, parents are less likely to select
stuffed animals, clothing and craft sets, therefore, we
discourage donating these items.
