

Saturday, November 9 Mason Murer Fine Art Sponsor Party 6:30 pm ~ General Admission 7:30 pm

Buckhead Christian Ministry's 'Tis the Season Auction is all the best things about the holidays rolled into one great event! Attendees will kick off the holiday season with delectable bites, fierce bidding and fabulous friends all while giving low-income children and their families a Christmas to remember.

This November, over 300 guests will provide gifts for more than 900 at-risk children and help families in financial crisis pay rent and utility bills during the holiday season. In addition, these low-income families will have opportunities to learn money management skills, advance their education, improve their careers, and adopt a new vision for their futures.

Will You Donate?

'Tis the Season is in need of the following types of items for our silent and live auctions: vacation homes, travel points, art, jewelry, hotel stays, memorabilia, sporting packages, entertainment packages, restaurant gift certificates, in-home chefs dinners, children's items, and one-of-a-kind experiences. Experience and donation displays can be customized to feature your brand.

Sponsorships are also still available and range from \$500 to \$20,000. To learn more about gaining valuable publicity through sponsorship, contact Dudley Franklin at dudley@bcmatlanta.org or (678) 399-8423.

About BCM

Georgia is home to a world-class symphony, nationally recognized hospitals and universities, 14 Fortune 500 companies, and more. With all of this to be proud of, it is hard to imagine that almost 60% of our neighbors cannot meet their most basic needs after even a short-term loss of income. In fact, a recent study found that Georgians are the least financially secure people in our entire country (Corporation for Enterprise Development).

These statistics are staggering, but Buckhead Christian Ministry (BCM) is working throughout the metro-Atlanta area to help families of all faiths become financially secure. BCM helps people in various stages of financial crisis with a range of services designed just for them, providing food to the hungry, helping homeless people become housed, teaching basic money management skills, providing employment assistance to both the jobless and the newly hired. With your help, at BCM, parents are able to create a better future for themselves and their children, and Georgia is becoming a place where all members of our community have an opportunity to achieve financial security.

Yes! I will provide a Merry Christmas to Atlanta families by donating an item to 'Tis the Season, a silent and live auction.
