For nearly 30 years, **Buckhead Christian Ministry** has provided compassionate assistance to people of all faiths living in metropolitan Atlanta. BCM's Seeds of Change Society members, sponsors and their guests help at-risk, working parents across Atlanta overcome crisis and change the course of their lives and their children's lives. By teaching them money management, helping them advance their education and careers and providing other support as needed, BCM gives fragile families the tools they need to become financially secure and adopt a new vision for their future. Become a sponsor today, and give hard-working families the promise of a better tomorrow.

BCM helps low-income, working families meet their basic needs during financial crisis such as job loss or lost wages due to uncontrollable circumstances like illness or the death of a family member. In addition, BCM guides families to financial stability through accountability-based programs that teach money management, encourage education, and provide career development opportunities.
